Dear Sir:

Applicants have received a Notice of Abandonment dated June 8, 2007, citing Applicants' failure to timely submit the required issue fee and publication fee in the above application.

On July 3, 2007, Applicants submitted two pages via electronic filing:

1. Form PTOL-85; and
2. Fee Addressee For Receipt of PTO Notices Relating to Maintenance

Fees.

Applicants received an acknowledgement receipt and have attached copies of these papers, along with a copy of the Notice of Abandonment for the Examiner's review.

Because the issue fee was timely filed and receipt of such filing was acknowledged by the United States Patent and Trademark Office, Applicants believe the Notice of Abandonment was issued in error. Applicants respectfully request withdrawal of the holding of abandonment and issuance of U.S. Letters Patent for the above-referenced patent.

Respectfully submitted,

Date: July 19, 2007
